Adoption, BBQ, and Barking Good Times

We had a truly rewarding time partnering with LifeLine this past Sunday to help increase visibility for pet adoption and ease shelter overcrowding. This joint effort between Buckhead Rotary and LifeLine was made so much easier thanks to the support of the North Atlanta High School Interact Club, who teamed up with us to wave down cars and engage with the interested families.

Thanks to everyone's support, 38 interested families came through to explore pet adoption. We are excited for our furry friends to find their fur-ever homes! A huge thank you to our Interact Club for lending a helping paw in making this event a success. Thank you to our GRSP student, Dani Bergamo and our RYE student Leo Klein-Kraneberg for volunteering at the event!

And we had a fun time at the Bark-A-Cue with Rotarians and their guests enjoying a balmy afternoon under a spacious tent while sharing a delicious barbecue meal and connecting with new and old friends. It was a barking good time. Thanks to Rosa McHugh and the Chastain Park Conservancy for the use of the tent and restroom facilities, much appreciated by us humans. The dogs of course preferred the trees.
